What if I decide not to place my child with Team 3 for the summer after paying registration and/or tuition payments?

Team 3 does not issue refunds nor transfer funds to another students. No circumstances will allow for a refund of registration fees unless we have a mandated government shut down due to COVID.

Credits will be applied to the student's account in the event the student tests positive for COVID and/or is exposed to someone who tested positive and must quarantine. A credit will be applied to the students' account for days missed. All credits expire after 1 calendar year.

I cannot pay the Session Tuition payments as required; will my child lose their spot for the sessions I selected?

You child's spot is ONLY reserved and secure once you have paid for the sessions of projected attendance (Session Tuition Payments). You will not lose your spot prior to payment deadlines, but once the deadline has passed, Team 3 administration will contact parents to remind them of the deadline. We will hold the spot for a week, but after 7 days, your child's spot will be at risk of being taken by another parent who was on the waiting list.

Will I be able to pay a discounted rate if my child will miss a week during a session I select due to a planned vacation?

Yes, students are allowed up to two “vacation weeks” during the summer where tuition will be adjusted/discounted as long as we are notified of the planned missed weeks by the time of session tuition week payments. If two weeks are needed during summer, the two weeks chosen cannot be in the same session. Refunds will not be given later in the summer for changes made to a student’s schedule.

Are masks required to be worn?

Yes, masks are required. If a student comes without a mask or with one that will not stay up to cover the nose and mouth due to excessive use, Team 3 will issue the child another mask and a \$2 fee will be added to the account.

What is the latest I can bring my child during summer camp?

Students must be dropped off by 9:30am unless excused with a prior notification to administration.

What meals will be served?

Breakfast (7:30am-8:30am), Lunch (11:30am-12:30pm), Snack (3pm-3:30pm), Late Snack (5:45pm-6pm)

In the unfortunate event someone tests positive, what will be the closure and re-opening procedure? Will money be refunded?

We will be closed for 2-4 days in the event someone tests positive to allow time for the building to be professionally cleaned and properly ventilated. The person who tested positive will not be allowed to return until they have proof of a negative COVID-19 test. For the days closed, money will be refunded to the accounts of all students.

What are your COVID precautions and procedures?

Upon arrival students’ temperature will be checked and documented, hand sanitizer will be given, and parents will be asked if the students have displayed any COVID symptoms or been exposed to anyone who has tested positive.

Do I HAVE to download the Procare App and what is it for?
